OFFICE OF THE ACADEMIC REGISTRAR

5th November 2021

Circular No: BSUAR01/OAY 2021-22/11/21

All Continuing Students- Year 2, 3 and 4

RE: OPENING OF SEMESTER ONE ACADEMIC YEAR 2021/2022 FOR ALL CONTINUING STUDENTS NOT DOING INTERNSHIP

Christian greetings,

Firstly, I congratulate you for having completed AY 2020/2021 successfully amidst the challenges of COVID 19.

This communication announces the opening of Semester One AY 2021/2022 for all Continuing Students of Year 2, 3 and 4 for programs that **are not doing internship**.

You are therefore informed to report for Semester One on **Monday 8th November 2021**.

Note that teaching will be both Physical and Online (blended learning) but in a staggered manner and following SOPs as per MOH and NCHE directives.

Only those students joining Year Two in all Programs will report physically while those joining Year 3 and 4 will report online for e-learning. Therefore, Year 3 and 4 students are not required to report physically. However, Year 3 and 4 students who are able to attend online learning while on internship can do so.

This arrangement will not affect students of Nursing Science and Public Health because they are attending Physical classes on Campus.

Our God Reigns,

ARUHO ABDON RUTEGA
ACADEMIC REGISTRAR
